

St. Martin's Healthcare's 16th Annual Circle of Friends Tea "Around the World"

Saturday FEBRUARY 19th 2022 Raffle Donation Opportunity

Dear Tea Friend,

Pack your bags, its tea time again!

St. Martin's Healthcare provides quality medical and dental care for acute and chronic conditions, optometry, and medication assistance services to uninsured and underinsured residents in DeKalb and Noble counties.

Will you consider **supporting our mission** with us for our 16th Annual St. Martin's Healthcare Circle of Friends Tea by donating a raffle item? **This annual event typically sells out with 200 local women attending!** With your support as a raffle donor to the Circle of Friends Tea, you'll JOIN THE CIRCLE and help us continue free health services to our neighbors in need!

In 2020 and 2021, our clinic doors stayed open to serve our patients NO MATTER WHAT. We implemented audio health and telehealth, created COVID Care Kits, even switched to appointment-only scheduling to allow for deep cleaning between patients.

As we begin 2022, we are continuing our healthcare services for our **uninsured** and **under-insured** neighbors. Who are the under-insured? They are working-class families who have coverage but whose premiums and deductibles represent 10% or more of their income facing these obstacles in accessing the care they need:

- **Limited number of providers accepting the marketplace plans**
- **Transportation difficulties in finding a provider within 60-miles**
- **Forced to choose between food and shelter for their families or paying out-of-pocket medical costs.**
- **Increased needs for healthcare services significantly in mental health and dental services.**

To meet our goal, we need **YOUR** help! **Thank you** for your consideration in donating a raffle item for us in **2022**. If you have any questions, please contact me at gcaswell@smhcin.org or by phone at (260)357-0077. We are very grateful for your loyal commitment to the community.

Thank You!
