

St. Martin's Healthcare's 16th Annual Circle of Friends Tea

"Around the World"

Dear Tea Partner,

Pack your bags, because it's TEAM TIME!

Over the last two years, we have learned we are ALL connected. This year, you can make an EVEN BIGGER difference right here in your backyard. Thank you for your past and present support of St. Martin's Healthcare. You're making a difference in the lives of patients living right here in your community! Will you consider **supporting our mission once again** by partnering with us for our 16th Annual St. Martin's Healthcare Circle of Friends Tea? I've enclosed a Partnership Form for your consideration.

In 2020-2021, our clinic doors stayed open to serve our patients NO MATTER WHAT. We implemented audio health and telehealth, created COVID Care Kits, even switched to appointment-only scheduling to allow for deep cleaning between patients. **In 2021 we continued to move forward and grew/improve services!**

As we begin 2022, we are continuing our healthcare services for our **uninsured** and **under-insured** neighbors. Who are the under-insured? They are working-class families who have coverage but whose premiums and deductibles represent 10% or more of their income facing these obstacles in accessing the care they need:

- **Limited number of providers accepting the marketplace plans**
- **Transportation difficulties in finding a provider within 60-miles**
- **Forced to choose between food & shelter for their families or paying out-of-pocket medical costs.**
- **Increase need for healthcare services especially mental health counseling.**

To meet our goal, of continuing health services to our community, we need **YOUR** help! **Thank you for your support** and consideration in partnering with us in **2022** as a Tea Partner.

If you have any questions, please contact me at gcaswell@smhcin.org or by phone at (260)357-0077. **SMHC** is very grateful for your continued partnership and your loyal commitment to the community. **Kindly reply by February, 5th 2022.**

Thank You!
