

Dear Friends of St. Martin's Healthcare,

**August 19th, 2021**

First and foremost, thank you for your commitment to serve others in Noble County. I invite you to learn more about the positive impact St. Martin's has had on Noble County. Thank you for being one of our Noble Co Partners! St. Martin's Healthcare opened in 2005 and in 2016, expanded to serve Noble County residents.

**Currently, 27% of patients served each year reside in Noble County.** Patients receive medical, dental, vision, mental health counseling, and prescription assistance in a caring and professional manner. It is only through the generosity of our community, businesses, and individuals, like you, that we can provide these vital healthcare services to those in need in DeKalb and Noble Counties. We are the only free clinic providing comprehensive care located in these counties. Our mission is to offer quality healthcare to those individuals without the means to provide for themselves

St. Martin's Healthcare and its Noble County Health Task Force has partnered with Wings Etc. of Kendallville to host our **"DINE TO DONATE"** fundraiser this fall. We request your support to make a larger impact to heal the sick and comfort the hurting.

**How the Dine to Donate Event Works:**

- **Dine with your friends & family on *Wednesday, September 22nd from 5pm-8pm.***
- **Wings Etc.-Kendallville *donates 10% of all pre-tax food and soft drink sales***
- ***Includes dine in or carry out (Coupon Attached)***
- **Wings Etc.-Kendallville is located at 870 N Lima Road**

Attached is a form with various partnership levels. ***Please consider partnering with us for this great evening.*** Partners will be publicly recognized, designating your level of support. We have enclosed a partnership form for your consideration with more details. Thank you in advance for your consideration. If you have any questions, please contact Grace at [gcaswell@smhcin.org](mailto:gcaswell@smhcin.org) or by phone (260)357-0077.

Blessings,

*Grace Caswell,*  
Director of Development
